Attachments: The Dewey-Burdock public hearing transcripts are now available on the EPA Region 8 Underground Injection Control website

Valois,

Do the documents found at the link below as well as the transcripts provided in the August 2 email (attached) comprise all the public comments received in response to the March 6th notice of the draft permits?

Thanks.

John

Subject: The Dewey-Burdock public comments are now available on the EPA Region 8 Underground Injection Control website

This message is being sent to you because you are on the contact list to receive information related to EPA actions at the proposed Dewey-Burdock uranium in-situ recovery site.

The public comments the EPA received during the public comment period for the proposed EPA Underground Injection Control (UIC) permitting actions at Dewey-Burdock are now available on the EPA Region 8 UIC website:

<https://www.epa.gov/uic/public-comments-regarding-epa-region-8-proposed-dewey-burdock-situ-uranium-recovery-project>

If you have any questions, please contact Valois Shea at shea.valois@epa.gov.
